County welfare directors are requested to select members of their agencies to attend one of the six workshops. Please note however that the availability of space at the workshop sites is limited. Consequently, in making selections, each director is requested to focus on the personnel responsible for updating the county's list of resources and those responsible for the training of other agency staff. Within the next few days a member of the Adult Protective/Supportive Services Bureau (APSSB) staff will telephone each county director to obtain the names, addresses, and workshop location the selected persons plan to attend. Pre-course material will be forwarded to the persons selected.

The APSSB staff is also concerned and will inquire about specific questions your staff may have regarding the Classification System. Should there be questions, please communicate them to the caller. This will ensure that the issue has been thoroughly researched and resolved prior to the workshop.

Questions regarding the Human Services Classification System and training workshops may be directed to either of the following APSSB staff members, Sonya Jongeward at (916) 445-0623 or Joe Murray at (916) 322-6671.

Thank you for your cooperation.

Sincerely,

JAMES H. GOMEZ
Deputy Director
